MY MASJID MY SPACE
Creating Memories | Building Foundations

BACKGROUND

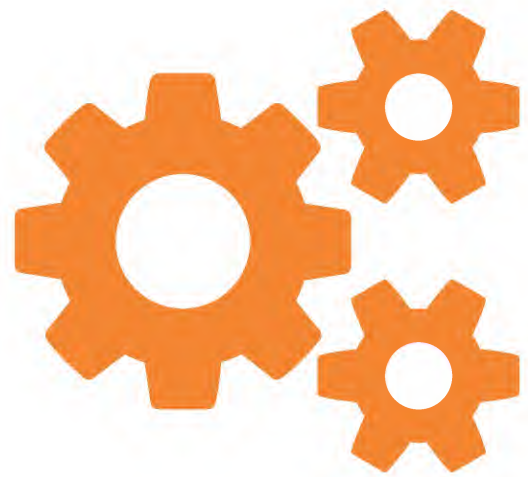

Mansoor Youth grew out of the experiences of several Muslim youth organisations including Al Fidaa's Youth of Islam, Bay Youth Development and Cii Youth.

The need was felt for activities centred around Masjid Mansoor catering for all youth in Nelson Mandela Bay but aimed specifically at the kids in the vicinity of the Masjid.

Mansoor Youth initially participated in joint activities, and this continues in joint youth events. The next step was to host events independently. This means that Mansoor Youth participates in youth events at several levels: partnerships, independent, support for girls events and Madressa specific.

The organisation is run by volunteers and is open to all who wish to be a part of organisation structures and event planning.

Structure

Mansoor Youth is run by a volunteer board who meet to plan and coordinate events.

Current Board:
S Peer (Chairman), H Essop,
A Ahmed, T Panday, M Badsha

Premises

Mansoor Youth is located at Masjid Mansoor in Malabar, Port Elizabeth.

It runs under the patronage of the PEME Trust.

Vision

Mansoor Youth envisages offering a range of physical and mental skills through activities and mentoring.

We hope to establish a youth centre.
